

Teacher Training - Storytelling

Session 1

Worlds of taletelling

- Storytelling is connected to our human selves
- To tell a story we need world awareness
- Ancients used to document their knowledge of the visible world through stories
- For a long time for humankind stories were the only source of knowledge and information
- Storytelling is deeply connected with the natural world
- Storytelling is the basis of every society every culture.

Activity 1 – Myth Analysis

Pick a myth

And analyse it

Write out the Myth Analysis for 10 minutes

Activity 2 – Fruity Tales

- Take your favourite fruit
- Build a story around this fruit for 5 minutes
- Narrate it

Activity 3 – Vampyre Bones

“A pair of inquisitive children come across a talking painting in shop called Vampyre Bones.” Continue writing this story for 10 minutes.
